

**Executive Directive from Kim Ulbrich, Executive Director MCHA  
Regarding Emergency Implementation of Biennial HQS Inspections**

The Illinois Northeast Region has entered Phase 4 Revitalization of Illinois' "Restore Illinois" Plan. Phase 4 Revitalization allows for most businesses to be open, with face coverings and social distancing being the norm. Gatherings of 50 people or fewer are allowed.

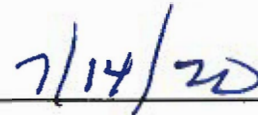

With safety protocols in place, MCHA will switch back over to annual inspections for the Housing Choice Voucher (HCV) and the Project Based Voucher (PBV) program effective 8/01/2020. MCHA is amending our Administrative Plan with Board Action on 7/20/2020 to implement annual inspections.

While MCHA will begin doing occupied unit inspections, we reserve the right to continue accepting alternative methods for verifying HQS deficiencies have been corrected when necessary or appropriate. These methods will include landlord certification, photo documentation, and/or tenant certification.

By Order of Kim Ulbrich, Executive Director
